**Thank you for joining
 Suffolk Wildlife Trust
 at Knettishall Heath**

The high piping melody of skylarks in the skies over Knettishall Heath is one of the sounds of summer. During the nesting season, dog walkers can help to protect these glorious little birds by avoiding the open heath.

Up to 12 pairs of skylark nest here and we hope nightjar will return to breed. Both species nest on the ground and will abandon their nest if disturbed by dogs.

With over 400 acres at Knettishall Heath, there is plenty of space for visitors and birds – so for a few months each year we ask dog walkers to keep to less sensitive areas whilst the birds are on their nests.

How you can help

The bird nesting season is from early March to late August. During this time please choose to walk your dog in the woodland areas or along the river. The Pine trail is designed for dog walkers and you can walk all year round without the need to keep your dog on a lead.

If you do opt to walk on the open heath, your dog must be kept on a short lead during the nesting season.

Steve Aylward

Dogs & ground nesting birds at Knettishall Heath

Keeping your dog off the open heath during nesting season will allow nightjars to breed and young skylarks to fledge

Dogs & ground nesting birds at Knettishall Heath

The three best walking options for dog walkers wishing to stay outside the grazing enclosure and avoid disturbance to ground nesting birds.

- Key**
- Long riverside trail (2 miles / 1hr)
 - Woodland trail (1½ miles / ¾hrs)
 - Pine trail (3 miles / 1½hr)
 - Heathland stock fence

Long riverside trail
2 miles
 A great varied walk at any time of year with riverside and woodland sections

Your Knettishall Heath Please enjoy the nature reserve and then join Suffolk Wildlife Trust to help us look after it.

Woodland trail
1½ miles
 A gentle walk through woodland that explores the quietest part of the reserve

Pine trail
3 miles (there & back)
 A long linear walk, mostly through woodland with circular walks along the route. Dogs are allowed off the lead all year round

My Gift Aid declaration

For every £1 you give, Suffolk Wildlife Trust can reclaim 25p of Gift Aid from the tax you pay for the current tax year.

I want to Gift Aid this donation and any donations I make in the future, or have made in the past 4 years, to Suffolk Wildlife Trust.

I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year, it is my responsibility to pay any difference.
