OPERATIONAL POLICY – COMPLAINTS

APPROVED FEBRUARY 2021

1. INTRODUCTION

We are Suffolk's nature charity. Action for wildlife, led by local people is our great strength and everything we do, and the way we do it, reflects this.

Our localness gives us a direct relationship with our members, volunteers, funders and the wider public. As keen observers of our day to day activity, they help to keep us true to our values and ensure accountability at every level of the organisation.

We welcome feedback, negative or positive, to help us do more to champion Suffolk's wildlife and inspire more people to get involved.

When handling complaints, we aim to:

- Provide a fair complaints procedure that is clear and easy to use for anyone wishing to make a complaint.
- Publicise the existence of our complaints procedure so that people know how to contact us to make a complaint.
- Make sure everyone in our organisation knows what to do if a complaint is received.
- Make sure all complaints are investigated fairly and in a timely way.
- Make sure that complaints are, wherever possible, resolved and relationships are repaired.
- Learn from complaints and feedback to help us to improve what we do.
