# Events 2023

## THE LIVING SOIL

**5 April 2pm-5pm**

*Bastings Hall, Helmingham*

Learn about the importance of healthy soil and the macro and micro wildlife it supports including earthworms and ground beetles.

## WOODLAND MANAGEMENT

**4 May 9.30am-12.30pm**

*Raydon Gt Wood, Hadleigh*

Join us on a walking tour with a special focus on managing woodlands for wildlife as part of sustainable farm businesses.

## SUNRISE BIRD WALK (AND BREAKFAST)

**12 May 5.30am**

*(1½hr walk, 7am breakfast)*

*Halls Farm, Norton*

Come along to this early morning walk to listen out for farmland birds and learn more about what you can do to help these declining birds.

## HOW TO CREATE A WOODLAND FOR FREE

**23 May 10am-12.30pm**

*Arger Fen Nature Reserve, Assington*

Come along to this spring event for an opportunity to see a range of stages of naturally regenerated woodland around this site. We will discuss how this approach can work on farm woodland, including grant information.

## MIDSUMMER MEETUP

**23 June 4pm onwards**

*Little Haugh, Norton*

An exciting new event aimed at Suffolk farmers, landowners, and advisers. There will be a range of talks, walks and demos and a BBQ. Look on our website for more details in due course!

## HEDGES, EDGES & POLLINATORS

**6 July 2pm-5pm**

*Hulver Farm, South Elmham*

We will look at a range of habitat examples on the farm, including hedges, ponds, and margins. We will discuss best practice and how to have a healthy farm ecosystem.

## RARE ARABLE PLANT HUNT

**TBC**

*Bushey Ley, Somersham*

This event will focus on identification of rare arable plants and how to conserve them. This will include options for their management under agri-environment schemes. Please get in touch if you are interested in attending.
