Events 2024

Woodlands by Natural Regen Approach

Wed 17 April | 9:30-12:00
The Hall, Milden

Owner Juliet Hawkins and Farm Adviser Maddie Lord will take us on a farm walk looking at different establishment methods for woodland creation; planting, assisted colonisation and natural colonisation.

We will discuss how different establishment methods can benefit wildlife. Ongoing woodland management and funding opportunities with reference to current schemes such as government grants and new carbon markets.

Farming with Nature. Building Financial Resilience with Diversity

Fri 14 June | 9:30-12:30
Little Haugh, Norton

Farm walking tour with owner Tatjana and farm manager, Ben focusing on a variety of new funding approaches for diversification and farm resilience.

The tour will include a wood pasture creation project, wetland enhancement with newly introduced beavers, low input regenerative farming and a new organic vegetable scheme. We will discuss finance approaches and management of these habitats.

 Larking Gowen

Arable Plants

Fri 2 Aug | 14:00-17:00
Brick Kiln Farm, Darsham

A visit to a North-East Suffolk farm on the edge of Dunwich Forest home to a unique site of special scientific interest (SSSI) for arable plants.

Led by expert botanists, this session will focus on the identification, management and how you can help these rare plants

The farm walk will also include special habitats such as acid grassland, hedgerows and woodlands, all managed and enhanced for wildlife by the owner Jane Thomson.
