Events 2026

Margins and meadows Mid-Summer Meet Up

Tue 5 May | 10:30-13.30
Hulver Farm, Bungay

Join us for a walk around the beautiful Hulver Farm to explore their margins & meadows, the value of rough grassland, and how these habitats support species like the turtle dove.

We will also look at farm diversification, including traditional thatching straw and making the most of the available SFI option

Fri 12 June | 9:30-14:00
Little Haugh, Norton

This will be a celebration of Suffolk farming with nature at its heart, aimed at farmers, landowners and advisers. A free breakfast followed by talks and a panel discussion with Q&A.

This years theme is **resilience**, Expert speakers on diversification, future proofing and why nature is essential for long-term sustainability. Optional farm walk. Book your place for more speaker details.

Circular Farming Approach: Fen Farm Walk

Thu 6 July | 11:00-13:30
Fen Farm, Bungay

Come along for a guided farm tour and learn how Fen Farm Dairy has created a viable circular farming strategy that is energy efficient, reduces the carbon footprint and enhances nature helping profitability and sustainability.

We'll also look at their innovative farm-gate sales approach and the benefits of managing habitats for wildlife.
